For something “old” that’s truly stunning, adorn your neckline with a one-of-a-kind necklace from the heirloom collection at The Heiress Vault. Master jeweler Margaret Rowe draws inspiration from vintage pieces she has collected over the years, and the result is modern yet feminine mystique. Many creations come with matching earrings to complete the look. Located in Paradise Valley; call 800.561.4278 or visit [www.heiressvault.com](http://www.heiressvault.com).
